Untitled (Green Wedding)
medium: *performance*
duration: *approx. 5 minutes*
date: *2008*

For the Green Wedding organized by artists Annie Sprinkle and Elizabeth Stephens (see also: www.loveartlab.org), the artists were asked to contribute a performance piece as part of the wedding ceremony.

Standing back to back with a live snake draped over their shoulders, they simultaneously read separate texts written specifically for this performance.

Isabel read an account of losing her virginity while Sean read a description of the marriage tax penalty. Each text was synchronized such that pauses for breathing and certain key phrases would be read at the same time.

This performance was part of the Interventions Conference at UC Santa Cruz.
